GATEWAY TO YOUR  
**BUILDING  
SOLUTION**

**FGT**

## Who We Are

Established in 1976, Fujairah General Trading Enterprises (FGT), a company run wholly by prominent UAE Nationals, is at present one of the leading building material stores in the UAE. With branches in Fujairah, Dubai and Ras Al Khaimah, we have a broad presence across the Country and are continually expanding and building on our 40 years' experience, expertise and dedication.

FGT represents many of the world's leading brands in civil & structural items, power tools, light & heavy machinery, Sanitary, hardware, electrical items and many more, boasting a wide range of products, estimated at approximately at 30,000 different line items, which is one of the key factors towards our success.

In order to further improve the experience of our customers, FGT can proudly announce the opening of its new service centre which has been authorized by several key brands such as Makita, Dewalt, Black & Decker, Stanley, Hitachi, Bosch and ESAB.

For Modern, Contemporary & Luxury, We have designs matching all your needs

“

We are creating a sustainable world where working together is to create prosperity with human ingenuity at the heart of it.

Over a period of more than 2 decades we have gained immense recognition as a “ONE STOP” provider of products and services to power utilities around UAE and beyond. This is complimented by our successful prequalification with a majority of the Power, hardware, sanitary and electrical goods Water, Oil & Gas, Telecom Utilities and Ministries, Government and Semi-Government Autonomous Authorities that has endorsed us as quality provider of resources and services in the industry. This success is further strengthened with the support of our global supply chain partners and manufacturers.

## Our Mission

Through our experience, expertise and dedication over the past 40 years, FGT has become one of the leading building material stores in the UAE. With a total workforce of 70 employees and a wide range of products, we can proudly and confidently cater to all our clients' requirements, be it a large scale project or a private villa.
